- Renown for its iconic red telephone boxes and buses, London is the most visited city in the world.
- London is a modern city steeped in with history and surrounded by stunning architecture , recognizable sights, numerous museums, modern universities and many more. Getting to know London is a long process, but even a short visit to the city is an unforgettable experience for every visitor.

During this two-week program, students are accommodated at Furzedown campus in zone 3 in spacious rooms with en-suite bathrooms, just 40 minutes away from the city centre. The students attend classes in the Graveney school facilities in groups formed by students from different countries. The program includes 30 classes of English language, extracurricular activities such as visits to museums and galleries, tours of the most significant sights, all organized by the school, as well as day trips to Oxford and Brighton. Classes are given by experienced professors and adapted to the level of knowledge each student shows on the initial test they do. The emphasis is on conversation, practicing speaking and understanding. The school is accredited by the British Council and it is intended for students aged 12 to 18.
