

LONDON

EXPLORER - THE STAY CLUB

£1549

Lively & dynamic, London is a city where history and modernity meet at every turn. Whether you are strolling along the Thames, exploring museums, or enjoying the atmosphere of its picturesque streets, the British capital conquers every visitor and leaves a lasting impression.

The WE Edu Center program fits perfectly with the summer holidays and allows you to experience London from a completely new perspective. Participants are accommodated in the modern student residence The Stay Club (Camden, Zone 2), which combines comfort and urban spirit. The residence is located in a modern part of London, and the centre is a fifteen-minute tube ride away, allowing easy, quick exploration of the city.

During the ten-day program, participants attend conversational workshops, pay visits to museums, galleries, and the most famous sights of London. Excursions to Brighton, a charming seaside town known for its picturesque coastline, and Cambridge, a university town rich in history, architecture, and lovely green riverside scenery, make for a special experience, too. Other optional activities are organized to provide participants with a perfect opportunity to socialize, have fun, and create unforgettable memories.

Join us and discover the magic of Great Britain on this exciting summer trip!
