

LONDON

TRAVELLER - THE STAY CLUB

£1699

A place that exudes history but lives in the present - London is a city where learning begins in museums, galleries, through conversations, and on lively streets.

This international capital of culture, education, and art offers endless opportunities to explore - whether you're strolling along the Thames, passing monumental buildings, or enjoying the green parks. That's why we created a program for you that gives you the chance to experience London firsthand.

The London Traveler program includes all the benefits of our popular London Explorer program, but has been further enhanced. It now includes more field trips and conversational workshops that take place during sightseeing tours, giving students an authentic learning experience.

Participants are accommodated in the student residence, The Stay Club (Zone 2, Camden), in a modern part of London. The residence offers an ideal balance between a peaceful environment and proximity to the city center.

During the stay, the participants visit the most famous London sights such as Westminster Abbey, Houses of Parliament, Buckingham Palace, Trafalgar Square, the British Museum... and many others, with trips to Oxford, Rochester, Canterbury, and Brighton.

 **01.08. – 10.08.2027.**
